

Hello NCC family and friends,

Due to the Coronavirus and out of concern for the wellbeing of our church family and friends we are suspending 'in person' Sunday morning services and church programming for the time being This means no Sunday morning service, no noontimers, no choir on Thursdays.

Instead: We will be recording our service each weekend and will post it on Facebook AND this website by Sunday mornings.

We will be checking on everyone regularly by phone/email/pony express. Please feel free to do the same. Some of our members don't use technology and the only way to contact them may be by phone.

If you NEED something let us know! Anne's cell phone is 734-649-7948.

Thank you and be well
