

NCC update September 2021

As we edge our way into a schedule that is more normal here is what's going on at NCC:

Our regular service is now on Sundays at 2pm. The service is also being recorded for FB and will be posted on this website. Join us!

We ask that people wear masks regardless of their vaccination status. This is part of the CDC recommendation right now to prevent the spread of COVID. Masks are available at the front door or in the office

September 12 – Rally Day 2pm. During our regular service time. This is our annual 'start of the school year' event. There will be lots of music, some food and fun and fellowship.

September 19 – regular service at 2pm

September 26 – Regular service at 2pm. 4pm Concert4aCause 'All My People' to benefit Corner Health Center
